THE GRADUATE COLLEGE  
PRINCETON, NEW JERSEY

Sept. 27, 1955

Mr. Allen W. Dulles  
2430 E Street  
Washington, D. C.

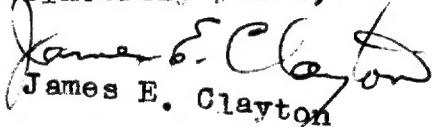

Dear Mr. Dulles,

Two years ago when we asked you to appear at the Graduate College Forum here at Princeton, you wrote that it was impossible at that time but that you might be able to accept the invitation at a later date if business happened to bring you to this area.

We wonder if you are going to be in the Princeton area on a Wednesday night any time this winter and, if you are, would you have time to spend an evening with us.

The Forum is operated to help provide us as graduate students a broader view of life that we acquire in our specialized field. Topics for discussion are usually left to the selection of those who speak for we feel that most men have topics they like to talk about which they feel graduate students and college folk generally do not understand. Our programs begin with dinner and sherry at 6 and conclude about 9 with speakers normally talking for 30 or 45 minutes and then answering questions for about the same length of time. We make an effort to keep the entire evening on an informal basis.

With the exception of those Wednesday nights which fall during Christmas and Easter vacations, we would be glad to hear you if you should be in this area any Wednesday after Dec. 1.

Sincerely yours,  
  
James E. Clayton
